JOB POSTING

Position: Emergency Medical Technician

Salary: \$ 16.00/Hour

Schedule: 00:00-08:00 weeknights

Status: Per Diem

Closing Date: ongoing until filled

Job Description

This position's primary responsibility is that of an EMT on the ambulance. In addition to covering ambulance duties, the Per-Diem EMT may have duties and chores around the stations, including but not limited to restocking of vehicles, checking equipment, washing and general cleaning around the stations, and other duties as assigned. The Per Diem EMT is responsible for the provision of pre-hospital patient care in accordance with all Federal, State, and Local Regulations.

Minimum Qualifications

- Current State of Connecticut EMT Certification
- AHA BLS CPR
- Valid motor vehicle operator's license which is not revoked or suspended
- Must be eighteen (18) years of age
- Must meet and maintain minimum standards as set by department standard operating procedures
- Previous experience with electronic patient care reporting

Additional Preferred Qualifications

- Hazmat Awareness
- 1 year prior experience full/part time EMT
- EVOC with 1 year emergency driving experience
